

## CALLING SALFORD CLIENTS: ARE YOU BEING LEFT BEHIND IN THE DIGITAL AGE?

WE ARE SETTING UP A FREE DIGITAL  
CLINIC AT BASIC OVER 12 MONTHS  
WITH FUNDING FROM THE CCG

### Would you like help using your own Tablet, Smartphone or Laptop to:

- get you up to speed with digital
- help your ongoing recovery at home
- use new games and applications
- access social networking
- meet your friends and family online
- use online banking for your finances
- take an online course and learn  
...plus more

For those with a limited income we can fund a 12 month broadband contract for you at home.

We also have funding for individual subscriptions to video-call software to meet friends and family.

Plus Lumosity brain training subscriptions for those completing cognitive training at basic.
